

The huge untapped goldmine of insurance business in India.

By Magicgyan Team,

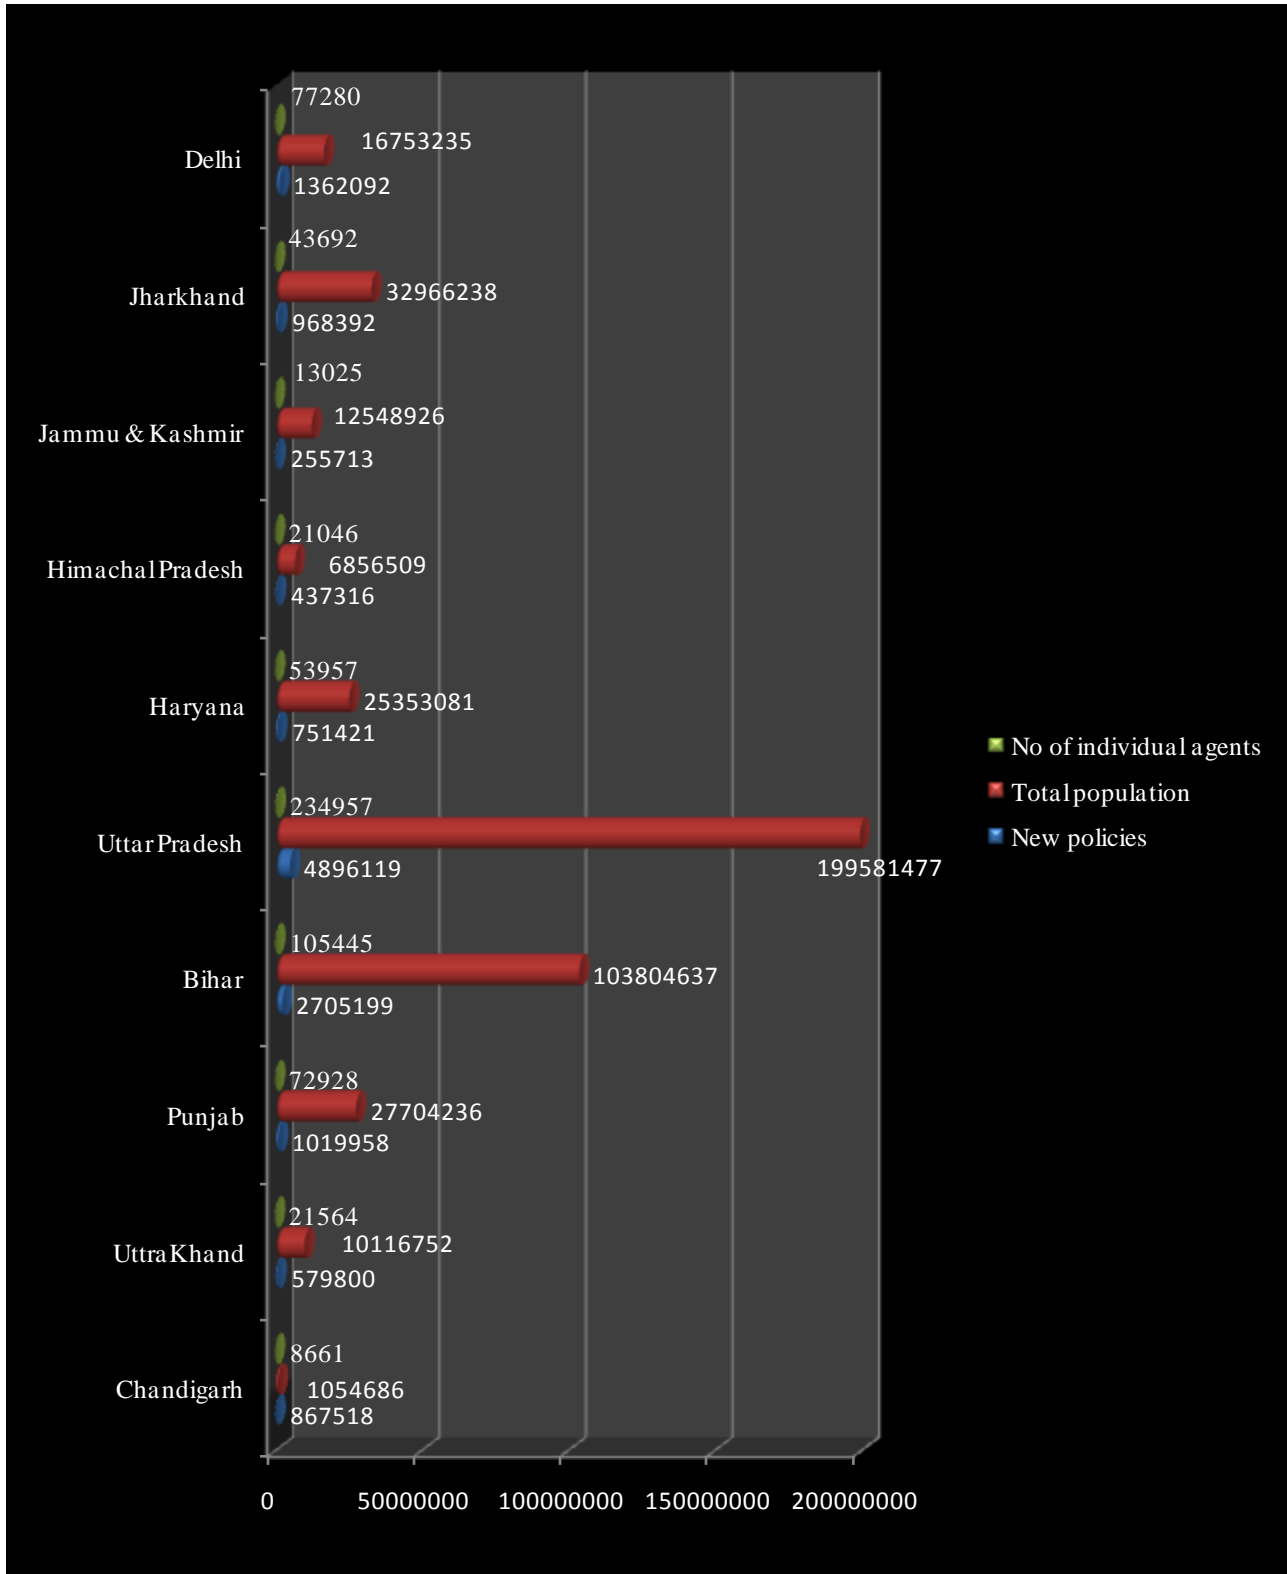

Data of state-wise total population, new policies sold and no of individual agents in 2012-2013.

As the data is quite huge we have divided it into four regions.

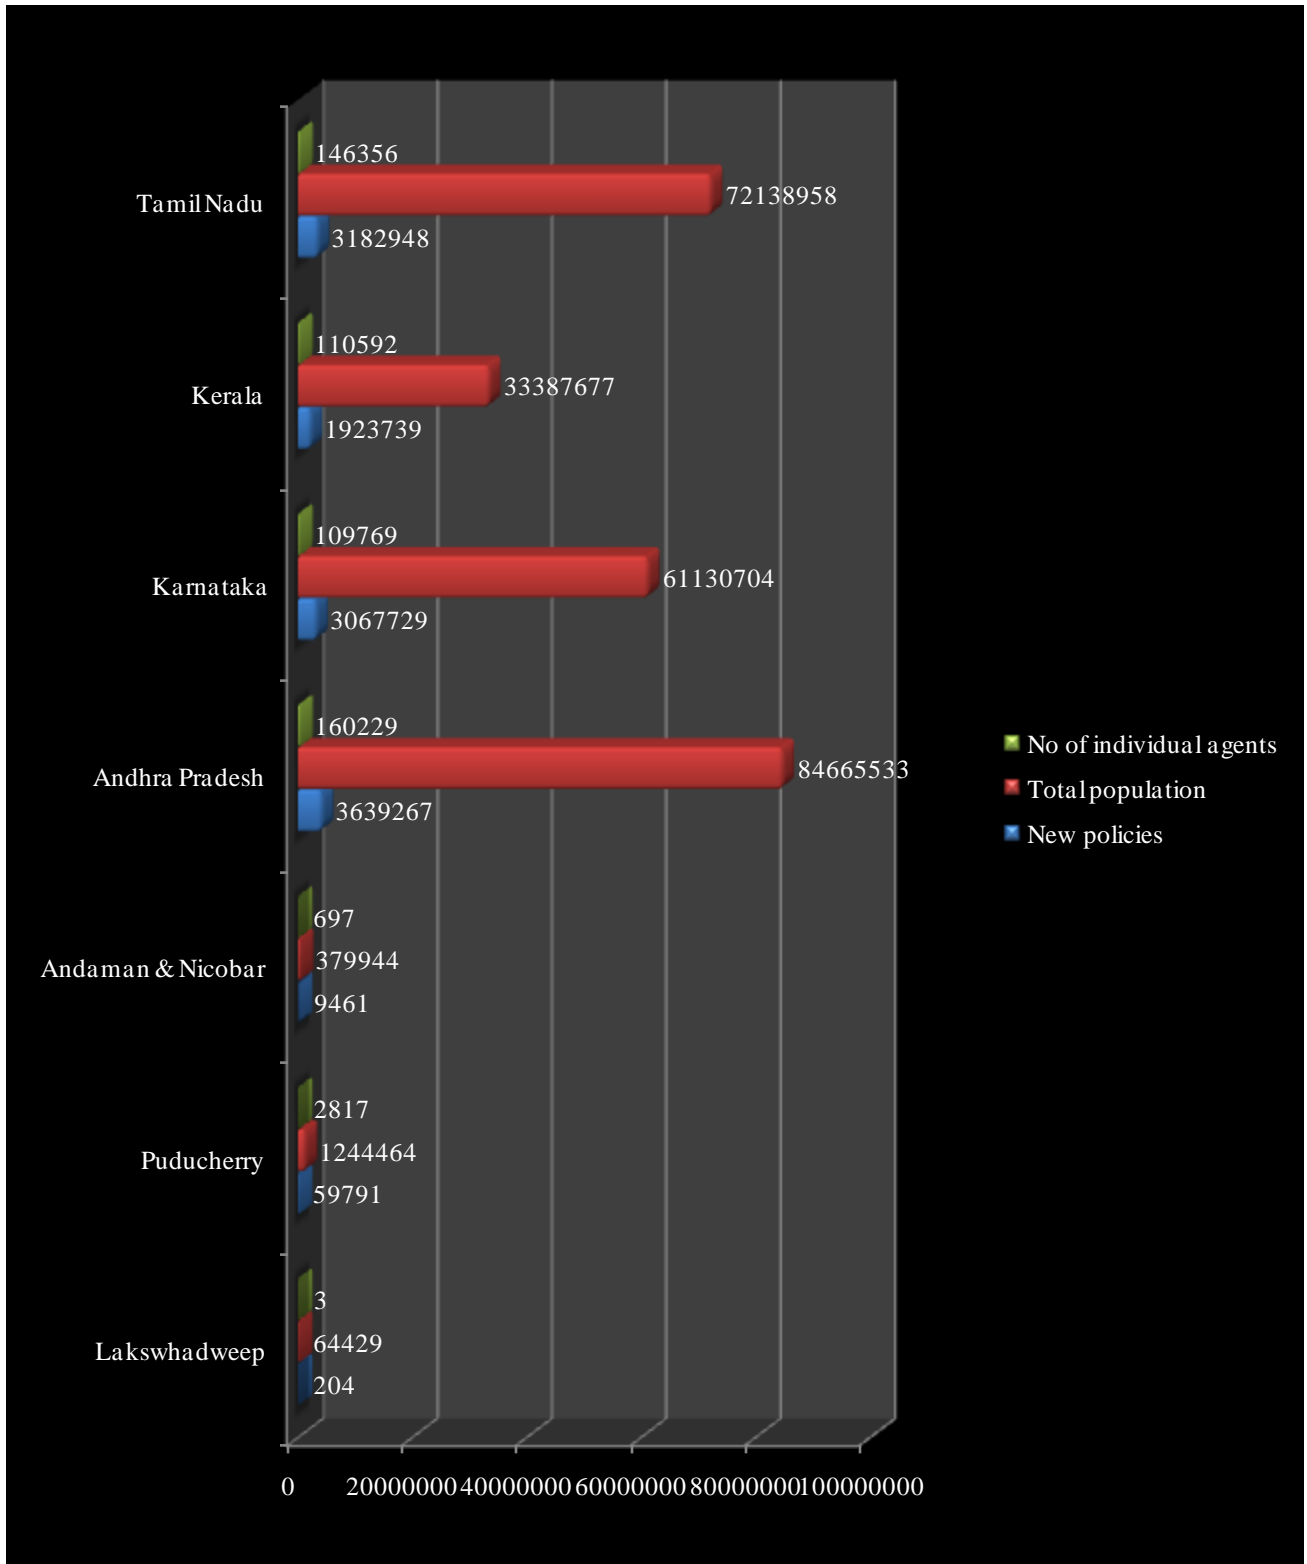

Source of data: IRDA handbook on insurance statistics 2012-13

Census 2011 (As it is updated only after 10 years)
